I am ready to answer for your inner question.

At present time I prepare for you all necessary documents for International Supreme Court in United Nations on April - May 2006 "four" committing an offence in Supreme and bringing huge harm all Creation and others souls in the Physics Faces during 20-30 last years with full confirmation in the Physics World from Spiritual World and passed Supreme Court in the International Center Sri Chinmoy - Elena Sri Chinmoy (now in the process of legal rename from Center Sri Chinmoy in the Center Elena Sri Chinmoy in 2006 year) in China - started on December 2004 and finished in New York on June, 2005.

This is very serious problem for all humanity and I can not hold it without International solution according to the Personal Direction of Supreme in Person, Great Mother-Goddess in Supreme and all Spiritual World in Physics World.

I as The Head of Spiritually-Physics World in Supreme with my blessed sole lawful spouse in Supreme appeal to you in person to support this very serious problem for all us.

I am ready to answer for all your questions during November, 2005 because I will be absent on December, 2005 - January, 06 in New York and will return on February, 06 in first week.

During this time Elena Sri Chinmoy in Supreme will manage our Center alone and she is always ready to give answer together with I using Her Highest Reason Light Mind in Supreme immediately.
