Dear and highly esteemed Secretary-General,

UNITED NATIONS:

the Heart-Home  
 of the World-Body

We believe and we hold that each man has the potentiality of reaching the Ultimate Truth. We also believe that man cannot and will not remain imperfect forever. Each man is an instrument of God. When the hour strikes, each individual soul listens to the inner dictates of God. When man listens to God, his imperfections are turned into perfections, his ignorance into knowledge, his searching mind into revealing light and his uncertain reality into all-fulfilling Divinity.

I wish to offer you my deepest gratitude for the golden opportunity to participate in yesterday's most soulful Interfaith service dedicated to our beloved United Nations and to your nobility-flooded leadership. All the flowers of humanity's heart-garden were offering their unique beauty and fragrance in the spirit of sublime oneness. Indeed, it was a life-illuminating and world-transforming experience.

Dear Secretary-General, you and the United Nations have been inseparably one for thirty years. Like a promising plant you took root in the United Nations, serving with ever-climbing dedication and growing with ever-deepening confidence inside the oneness- and vastness-heart of the world-body. Now you have become the tallest and most powerful wisdom-tree, sheltering all the countries, all the faiths, all the cultures and all the races. Yesterday we saw how devotedly, how enthusiastically and how divinely all the God-lovers of our world of diversity-abundance consecrated their aspiring prayers to the success and progress of our God-fulfilling United Nations and its supremely chosen Captain, our Secretary-General.

Dear Secretary-General, our Peace Meditation Group is praying for the absolute fulfilment of the United Nations as the destined instrument of world-perfection under your most blessingful and most fruitful vision-action-leadership.

Yours in the Supreme,
