

# AN INVITATION TO ALL MEMBERS OF THE UNITED NATIONS COMMUNITY . . Walk for your country in commemoration of United Nations Charter Day 25-26 June 1984 - United Nations North Garden (See schedule by country)

United Nations Delegates, Mission, Secretariat and Agency staff and their families are cordially invited to participate in a silent walk on 25-26 June 1984 to commemorate the 39th anniversary of the signing of the United Nations Charter on 26 June 1945. The event, "Peace Walk for United Nations Charter Day," which is occurring for the second year, is being co-sponsored by a number of Permanent Representatives along with "Sri Chinmoy: The Peace Meditation at the United Nations." Last year's event brought together members of the United Nations community from scores of nations to share their yearning for peace and their faith in its ultimate triumph.

#### The Peace Walk

A group of walkers representing each of the 158 United Nations Member States will walk one "lap" around an area of the United Nations North Garden. All members of the United Nations community are invited to walk for their country. Heads of Delegations will lead the group in a number of cases. As each group completes their segment of the walk, nationals from the succeeding country, in alphabetical order, will begin the next round, forming a relay of nations. (See schedule.) The Walk will be carried out in silence, in a contemplative spirit, and will express a renewed commitment to peace.

#### Sign the Preamble to the Charter

During each country's segment of the Walk, a reproduction of the Preamble to the Charter will be carried. As the lap ends, the document will be passed to the succeeding country in the same way that a baton is passed in a relay run. In addition, separate copies of the Preamble will be available for each country, which Ambassadors and other nationals will be invited to sign as a gesture symbolizing their country's renewed support for the ideals embodied in the Charter. Those whose schedules do not permit them to walk at the time scheduled for their country may sign the copy of the Preamble at any time during the event. The signed pages will subsequently be bound together and offered to the Secretary-General.

#### Assembly Times, International Lap and Final Ceremony

Walkers will assemble adjacent to the Rose Garden. Those wishing to participate may consult the attached schedule to determine the assembly time for their country. Nationals of all countries are also invited to participate in the last, "international" lap of the walk, for which the assembly time is 1:15 p.m. on Tuesday, 26 June, and to attend the final ceremony to be held immediately after.
