

*Meditation at the Opening Ceremony
for the Sri Chinmoy Oneness-Home Peace Run '89*

Peace, Peace, Peace,
You are God's birthless and deathless Breath.
We are invoking you devotedly and soulfully
to have a perfect oneness-world-family.

Peace, Peace, Peace,
We tell God that we love Him.
God says to us,
"My children, now prove it!"
We say to God,
"Lord, here is our international Peace Run
solely dedicated to your fondest child, Peace."
