Dear Mr. Holman,

We were delighted to see in your 15 - 22 May 1989 issue that you chose to use the photograph of Ambassador Okeyo of Kenya and celebrities at the opening of the Sri Chinmoy Oneness-Home Peace Run. We are beginning to receive news articles from many countries about the local peace runs with various dignitaries and statesmen participating.

Last Sunday, 21 May, Mexico began the largest opening torch run thus far, with over 50,000 turning out to celebrate the passing of the Peace Torch (please see attached). The American contingent of the run has already covered eighteen states, running 3,350 miles to date and are currently running through Colorado.

In August we expect to have a very large turnout for the closing ceremony in New York City and hope that you will be free to join us then.

Sincerely yours,

Dr. Steven C. Boswell
