Devi Indira pradhan mantri Indira.
Maha Bharater sreshta kanya mandira.
Indira, Indira, Indira!
Ekadhare tumi Neheru swapan,
Neherur asha, Neherur pan.
Ujjala mati sutibra gati,
Bharat basir druta unnati.
Indira, Indira, Indira!
Dhanya Kamala, dhanya Jawahar, dhanya Motilal.
Tumi je tader sudha shashikala Himadri sama bhal.

Devi Indira, Prime Minister Indira!
O unparalleled daughter of great Mother India,
O temple-diety of Indian hearts,
Indira, Indira, Indira!
In one form you are the Dream of Nehru,
The Hope of Nehru and the Promise of Nehru.
Most translucent is the power of your aspiration-heart,
And fastest is the speed of your dedication-life.
You are the source of India's amazing progress-light.
Indira, Indira, Indira!
Blessed Mother Kamala,
Blessed Father Jawahar
And blessed Grandfather Motilal—
You are their nectar-moon-delight
And their Himalayan prosperity-forehead.
